Jensen, Amy A. 1:08 PM:

We would like to setup an "Aquatics comment" folder for our FEIS comments to share amongst ourselves

Jensen, Amy A. 1:09 PM:

We are not seeing where FEIS comments are to be filed on the Sharepoint, and we wanted to ask where we could established a folder right in the Pebble Sharepoint

Jensen, Amy A. 1:09 PM:

ha! Obviously, I'm talking about Pebble FEIS comments

Vaughan, Molly 1:14 PM:

I figured :) Yes, that makes sense to me to add a folder if you want to collaborate on comments. Let me know if you need any help from me in doing so. In general, the plan was just to have reviewers email their comments to me/Patty, but I can also pull your compiled version from Sharepoint once it's done, just let me know when it's ready.

Jensen, Amy A. 1:14 PM:

yeah, our comments relate directly to the fish comments, so we want to see what other people are drafting/saying

Jensen, Amy A. 1:15 PM:

is there a place where you want us to file it?

Vaughan, Molly 1:17 PM:

I think you can put the folder wherever it makes sense to you. I don't have the site open in front of me now to pick somewhere specific.

Jensen, Amy A. 1:17 PM:

ah, very good

Jensen, Amy A. 1:18 PM:

ok, Here is where I created a folder for us on the Pebble Sharepoint site:
